# one SOURCE

# one FULL SERVICE COMPANY

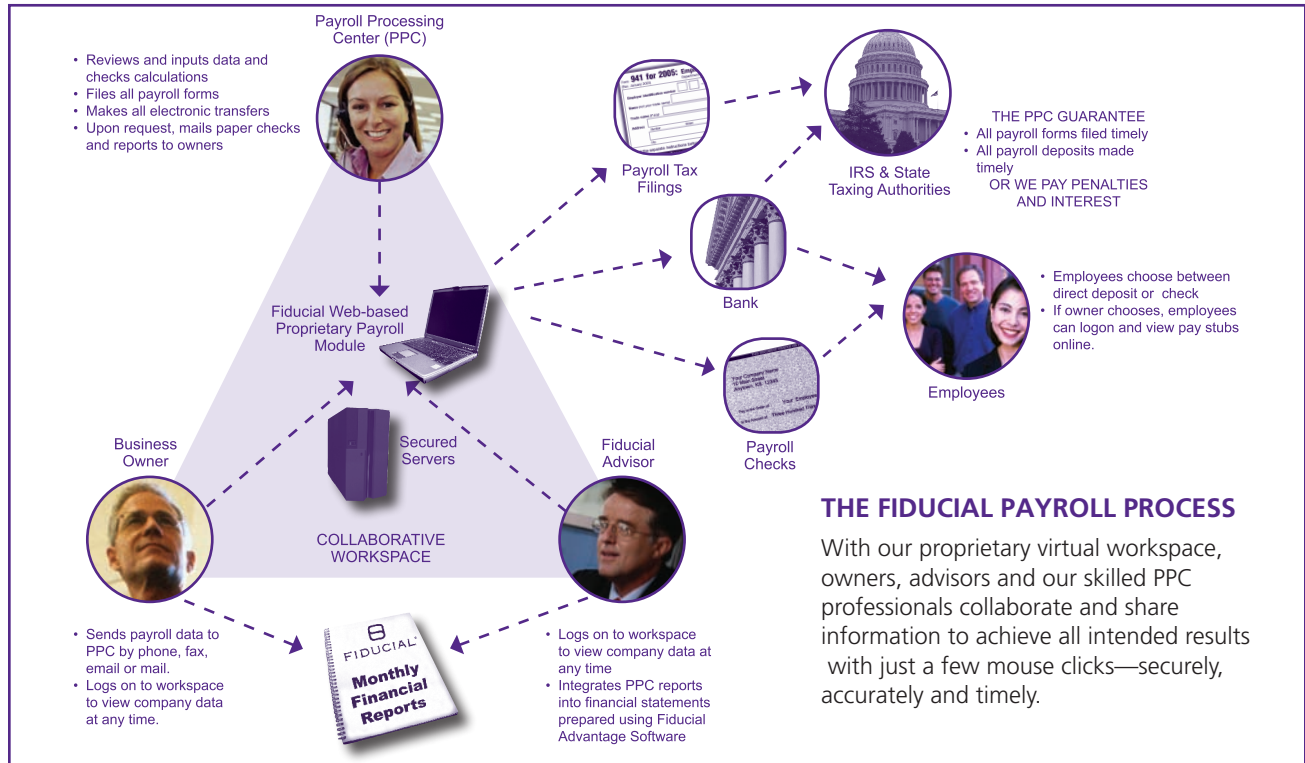

We make your job easier by providing everything your business needs from one trusted source, backed with the strength and experience of the nation's largest network of professional advisors.

Many professionals offer routine accounting services. Some offer tax or payroll services. Others offer business counseling or financial services. Our full-service system brings you all the business services you need from a single source, simplifying the management of your entire business so you can concentrate on what you do best.

## SIMPLIFY PAYROLL

There is more to payroll than writing and signing pay checks. There are deposits to make, taxes to withhold and collect, and year end tax requirements.

A successful payroll process depends on a systematic approach to payroll calculations, attention to detail, careful preparation of Federal and State tax forms, and awareness of critical deadlines. It requires total commitment to customer service. For years, small business owners just like you have been looking to our full-service payroll processing center, for that commitment.

## EXPERIENCE COUNTS
